

• Egerton University student pursuing a Bachelor’s of Commerce in Business Information Systems, expected to graduate in December 2025. Most recently worked as a Junior Network Administrator at the National Cereals & Produce Board, where I contributed to network security and stability. Skilled in threat detection, IP security, and subnetting, supported by Cisco certifications in Cybersecurity, Networking, and Routing. Demonstrates a strong foundation in IT systems and business processes, blending technical expertise with analytical skills to enhance operational efficiency.

TECHNICAL SKILLS

- Security:**
 - Endpoint Security
 - Network Defense
 - Incident Response
 - Application Security
 - Cloud Security
- Infrastructure :**
 - Windows Security
 - Linux Basics
 - WLANS
- Tools:**
 - Nmap
 - Wireshark
 - Cyber Threat Intel
 - IT Security Policies & Procedures

INTERPERSONAL SKILLS

- Leadership**

A naturally motivated leader who takes initiative and strives to improve challenging situations.
- Customer-Oriented**

I enjoy delivering products that align with end-user and customer requirements.
- Team-oriented**

Team-oriented and adaptable in dynamic, fast-paced environments.

Effective Communication

Able to clearly explain technical concepts to non-technical individuals.
